IUOE Local 793

Pension and Benefits Administered by OEBAC

Prior Authorization for Taltz™ (Ixekizumab)

A Introduction

Plan Members need this form to initiate a pre-authorization process for the IUOE Local 793 Plan to cover the use of this drug.

➔ Expenses incurred by the completion of this form are at the Plan Member's expense.

➔ If the patient has another drug plan, this prior authorization may cover some or all the excess not paid for by that plan.

Please request, fill in, and return an updated Personal Information File (PIF) to notify OEBAC of any changes in information about: **(a)** you, the Plan Member; **(b)** your dependants; **(c)** any other health care plan that you or your dependants may have; **(d)** your beneficiaries; **(e)** your bank accounts; or **(f)** the individuals authorized to inquire about your benefits. By doing this on time, you will facilitate faster processing of your claims and reduce the chances of claim rejection.

B To be completed by Plan Member

For office use only
ABCDEFGH

Drug Name	DIN
Taltz™ (Ixekizumab)	**02455102 02455110**
Concentration	Dosage

Please indicate if the patient meets the following qualifying criteria for drug coverage:

☐ Taltz is indicated for the treatment of moderate to severe plaque psoriasis in adult patients who are candidates for systemic therapy or phototherapy.

☐ Taltz is indicated for the treatment of adult patients with active psoriatic arthritis when the response to previous disease-modifying anti-rheumatic drug (DMARD) therapy has been inadequate. Taltz can be used alone or in combination with methotrexate.
